

2nd/4th Battalion's 1992 Achievements

The achievements of the 2nd/4th Battalion have been significant, both in training and on the sports field. In summary:

Training

- We conducted the trial for Operational Contingency Loading (OCL Tac Pack) of Blackhawk.
- During Ex K92 the Battalion conducted a night airmobile assault to an offshore island. This was a first for the ADF and highlighted the Battalion's ability to conduct airmobile operations.
- The Military Skills Competition was held at the Paluma State Forest in April. The competition proved very popular and was very well organised.
- The Duke of Gloucester Cup Team was sixth in this years competition.
- The MINIMI - Light Support Weapon was introduced to the Battalion in May. To enable a consistent standard all companies underwent training at Mt Vince.
- The Bn LFX in July concentrated on the defensive battle. The exercise was planned over a 36 hour period and was designed to place all members of the company under considerable stress and to be as realistic as possible.
- During Maxi Beagle we developed SOPs for Services Protected Evacuation and the subsequent testing on Swift Eagle confirmed we were on track.
- During Swift Eagle we developed Bn Amphibious SOPs.
- The year saw our first deployment of 13 soldiers to UNTAC (Cambodia).

The Commander's Trophy

- 2/4 RAR was awarded the Trophy in 1992. The Commander's Trophy is competed for by all units and comprises competition in four military sporting events. Our results:

- The Obstacle Course	- First
- Shooting	- First
- Cross Country	- First
- Orienteering	- Third

Sport

: Athletics	- First
: Swimming	- Third
: Soccer	- First/Premiers
: Australian Rules	- First/Premiers
: Basketball	- First/Premiers
: Volleyball	- First
: Cricket	- First
