

Support Company "Champions"

As the year draws quickly to a close it is worth remembering some of your achievements in 1992:

- Champion Section:- CPL Eckert
- Champion Platoon:- Recon Pl
- Champion Military Skills Company
- Obstacle Course Competition:- First, CPL Hungerford
- Athletics, Heavyweight Tug-of-War, Soccer & Aust Rules:- First
- Inter Coy Rugby & Hockey, Swimming:- Second and of course
- Champion Company.

A large number of the company have managed to obtain at least one promotion course during the year and inevitably some must return to rifle companies. We look forward to your return in the future. To those who have been promoted; congratulations, you deserved it. To those who are waiting in the wings - standby; your time will come, hopefully sooner than later.

The standard of specialist skills in the company are of a

high standard. All platoons should feel proud of their ability & skills in their trade. On many occasions during the year you have proved your worth.

To the 2IC, (all three at last count) CSM and CQMS your endeavours, guidance and sense of humour have been greatly appreciated.

The remainder of the year sees the company trying to get on as many overseas trips as possible. At the last count; 19 to C Coy and the UK; 19 to A Coy and Butterworth and three to New Zealand.

Finally some memories of SPT COY in 1992:

- Mor Pl and the Governor General;
- Pnr Pl and the CGS;
- Recon Pl and their LRPV;
- Signals Pl and their PM24s,
- The CSM not sleeping during the LFX;
- The CQ after the CPLs Dining In Night; and
- No raffles
