

## RSM's Report

As the year draws to a close it is important to reflect on the achievements of the Battalion during 1992.

It has clearly been a very busy year however, it has provided an opportunity to show both individual and collective skills in our training. Both are areas where the Battalion has distinguished itself.

This of course flowed over to the sporting fields and our endeavours were equally rewarding.

The foundations of our success have been firmly laid this year. We have an excellent opportunity to build on these in 1993.

To those leaving the Battalion - good luck and good soldiering. To all soldiers of the Premier Battalion and their families I extend my best wishes to you over the Christmas period, I hope you return safely in 1993 and I look forward to next year being an even bigger success than 1992.
