

Volleyball

1987 proved to be a vastly different year. Why? We didn't win, that's why! It could've been 4 in a row, but that's the way it goes. All games were tightly contested and we managed to get Cpl Olejniczak (O.J.); Cpl Trevorrow and Lt Lowes in the N.Q. Army, Qld. Army and

subsequently the Qld Combined Services teams.

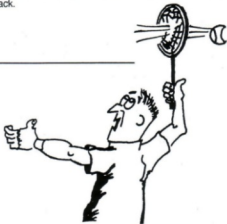

To all the fellows who turned up each week, thanks and stick with it again in '88 so we can get that trophy back.

Tennis

2/4 RAR dominated the Area Tennis Competition throughout 1987. 1 RAR provided the only threat to this dominance but were defeated on the day by Sgt Schlegel, Sgt Edwards, Cpl Heron and LCpl Coleman.

Other members of the team to play throughout the year were Cpl Jakins and LCpl Monaghan. Depth of talent enabled the team to produce convincing wins on all occasions.

Sgt Schlegel, Sgt Edwards and LCpl Monaghan have been posted during the year. New recruits to the team will be required for '88 if the current winning four is to be maintained.
