

Intelligence Section

The past 12 months have made sweeping changes to the Int Sect line up with Capt Bender taking over the Battalion Seers post (Q.: How many people can you fit in a VW?) Capt Foster ably heading the section through thick and thin and then leaving to go swanning in Singapore. Capt Hasson was quick to take over the cloak and dagger of responsibility and delve into the secrets of the section. Always with good control of the reins was Sgt Edwards who has now left for a promotion course and posting. Cpl D'Monte has departed to Intelligence Corps. We have said goodbye to Pte "Doc" Doran, now back in the Rifle Coy grind, Pte Tracey, the Sgts Mess and Pte's Merrick and Armstrong gone OCS (on Civvy Street).

Our welcome has gone to Pte's Muoio, Hoffrichter, Miller and Peters.

Maintaining the stability of the section is the ever reliable Pte "CAJ" Smith getting ready to hand over the section to Sgt Cekanauskas and Capt Caldwell, on his return from Malaysia.
