

## Athletics

Once again the Townsville Sports Park proved to be the ideal venue for the Battalion's athletes to do battle against each other for the Athletics Shield and Cup for 1987. A twilight meet allowed athletes to compete out of the heat of the day and be joined by families for the events.

This year saw many of the regular stars win their usual array of trophies and of particular note was the debut of several new faces on the winning stand. This is indeed a promising fact with the Brigade Athletics Carnival (which we won last year) just around the corner.

Congratulations to D Coy, who put last years winners, Bravo out of first place by 49 points to 47 points — truly a well contested and memorable night.
