300. IMPORTATION OF FIREARMS, AMMO, BY SERVICEMEN

1. It has come under notice that a considerable number of Servicemen returning from Vietnam, particularly in the last twelve months, have imported military-type firearms into Australia as personal "souvenirs". In most instances, the weapons involved were superseded American military rifles.
2. Generally, the Servicemen have made no attempt to conceal the firearms at the time of importation. Nevertheless, this Department has, in the majority of cases, been obliged to seize the weapons which, being rifles of a military type, are restricted imports in terms of the Customs (Prohibited Imports) Regulations. In practice, importation is not permitted unless intending importers produce the written authority of Police Authorities to have possessions of such weapons. As Police Authorities have refused to issue permits under State Legislation for the Servicemen concerned to retain such firearms in their possession, this Department has had no option but to seize the firearms.
3. Accordingly, in order to avoid any future embarrassment to Service personnel and this Department, it is desired that the practice of returning Servicemen bringing firearms, whether rifles or pistols, or any other dangerous weapons into Australia, should be discouraged as far as possible. Similarly to obviate any inconvenience to private individuals in Australia, it is requested that Servicemen carrying out duties abroad ensure that they do not forward any firearms or other weapons to Australia from overseas by mail.
4. It would also be appreciated if you would specifically bring to the attention of all Servicemen stationed overseas or proceeding abroad, the conditions governing the importation of firearms (ie the requirement to declare all firearms and their release being subject to Police approval) as mentioned on pages 4 and 5 of the attached pamphlet entitled "Guide to Customs". Supplies of this pamphlet were previously forwarded to you for distribution to Service personnel. Upon request, I shall be glad to supply any additional quantities of the pamphlet you may require.

RESTRICTED

3.

317. CESSATION OF ACTIVE SERVICE - REVERSION TO WAR SERVICE

1. Army Headquarters has advised that as from 1 Oct 66 all units in this theatre ceased to be on active service and on that date reverted to war service.

2. The following are the effects of this change:-

a. All Charge and Offence Reports (AAF #4's) will now show at the commencement of the statement of the offence, the letters "WOWS" for "When on War Service", instead of the letters "WOAS", which have been used to indicate "When On Active Service". Likewise charge sheets for Courts Martial will show that the accused is on war service.

b. The punishments which have been used during "active service" are no longer valid - they are:-

(1) Field Punishment under AMR 256(2)(b)(i), and

(2) Forfeiture of all ordinary pay under AMR 256(2)9(b)(ii).

c. Automatic forfeitures (eg. forfeiture of pay while AWOL) apply as usual. It is only forfeiture as an award under AMR 256(2)(b)(ii) which does not apply.

3. The publication "The Administration of Discipline on War Service in Malaysia (May 1964)" is still the reference for disciplinary matters in this theatre, as it applies to war service.

4. All personnel in this unit continue to be subject to the Army Act and all charges must be brought under the relevant section of the Army Act.

(AAF RO 92/66)

318. SERVICE IN BORNEO

1. Members serving in Borneo ceased to be eligible for the following with effect from and including 15 Sep 66:-

a. Reduction in qualifying period for group 6, military skills, vide MBI 79-1 Annex B.

b. Total income tax exemptions vide paragraph 18 of MBI 251-1.

(AAF RO 93/66)

319. 1966 FEDERAL ELECTIONS

General

1. In November 1966, there may be Federal elections for the Senate and House of Representatives.

2. Most members in this theatre will be entitled to vote by post. Dependants of members may vote by using facilities provided in the offices of the High Commissions. However, if this is inconvenient, they may use the same facilities as members, described below. Dependants who are resident in Singapore are to use Aust High Commission facilities. AAF FARLEF personnel and their dependants outside Malaysia are to use the Aust Embassy or Aust High Commission facilities.

RESTRICTED

RESTRICTED

4.

3. Every member entitled to vote and wishing to do so MUST have every facility available to exercise his right to vote.
4. Maj E. CARTER, DADLS, HQ AAF FARELF, has been appointed Assistant Returning Officer for the purpose of co-ordinating action on postal voting in this area but it will be necessary for all sub units to organise their own internal arrangements to deal with election papers as they are received.
5. It is expected that considerable clerical work will be involved and there will be problems in meeting deadlines. Prompt return of all postal matter distributed will be essential to ensure that all personnel entitled to vote can do so effectively.

Eligibility to vote

6. An eligible voter is a person who is:-
 - a. A British subject, and
 - b. Who has been domiciled continuously for six months in Australia, and
 - c. In the case of members under 21 years of age is serving or has served on special duty.
7. A British subject is an Australian citizen or citizen of any British Commonwealth country. A roll of non British subjects at the time of enlistment now serving in the Army is to be produced. Any person on the roll who has since been naturalised must produce evidence of naturalisation in order to vote.
8. Members who are eligible to vote need not necessarily be on the electoral rolls at present. They are entitled to vote for candidates in the electorate in which they last resided in Australia.

Special Duty

9. For practical purposes, members who are serving or have served in Borneo and Vietnam will have been on special duty for the purposes of qualifying to vote, provided they are otherwise eligible.
10. Where a member has been in Borneo or Vietnam but not on the posted strength of a unit in those areas, units should signal this headquarters, giving particulars, so that the member's entitlement can be checked and advised.

Immediate Sub-unit Action

11. Sub-units are to inform this order to all soldiers and their dependants.
12. Any queries on eligibility to vote are to be referred to this HQ by 19 Oct 66.
13. Members who are already on the electoral roll in Australia but cannot remember the name of their electoral division are to be advised to write to friends or relatives in Australia immediately to obtain this information. If this is not done, considerable work in checking electoral rolls will be required. Unfortunately the electoral division rolls will not be available to this HQ until late Oct 66. However, if there is any delay in obtaining the information, papers should not be held awaiting the details of electoral divisions.

Forecast of Events

14. Shortly, sub-units will receive bundles of forms of application for postal votes.

RESTRICTED.

5.

15. Upon receipt of these forms sub units will make an immediate distribution of the forms to individual members.

16. These forms will consist of three parts, joined by perforated lines, ONE of which must be completed by the member.

17. The separate parts of the form are for the following categories of voters:-

- a. Those eligible voters who are aged 21 years and over, who are not on the electoral roll.
- b. Those who are on the electoral roll.
- c. Those members who are under 21 years but are eligible to vote by reason of their special service.

18. These applications forms should be completed and returned to the Assistant Returning Officer, HQ Aust Army Force, FARELF, as soon as possible. The last date when they may reach this address will be advised.

19. Sub units will then receive printed Senate papers, House of Representative ballot papers, with covering envelopes and lists of candidates with their party and electorate.

20. The ballot papers and covering envelopes will be distributed immediately by sub units to individual members and the lists of candidates, their party and electorate will be displayed and information as to where they are displayed, promulgated to members.

21. The postal votes must be back in this headquarters by 2000 hrs local time on polling day. The polling day will be advised but the votes should be recorded and returned as soon as possible. It is not necessary to wait until polling day and in most cases it would not be possible to get them back to the Assistant Returning Officer unless the vote is recorded well before polling day.

Dependants

22. Dependants should, if possible, vote under arrangements with High Commissions but the Assistant Returning Officer at this HQ will issue ballot papers to any dependants who forward a properly completed application for postal vote.

23. A dependant must be a British subject, 21 years or over and must have resided in Australia continuously for 6 months.

24. In the case of dependants they must be persons whose names are already on the electoral roll.

(AAF RO 94/66)

320. WELFARE

1. From the volume of official correspondence being received at this headquarters, it appears many personnel are neglecting to keep their next-of-kin and members of their family informed as to their welfare.

2. Whilst the army is sympathetic to genuine compassionate cases, it does not encourage the use of official channels, by either a soldier or his dependants in Australian as a means of communications.

3. Sub unit commanders are requested to supervise this problem and advise members of their obligation to keep their family and friends informed as to their welfare.

(AAF RO 84/66)

RESTRICTED.

.6.

321. COMPENSATION

With effect from 15 Sep 66, the provisions of the Repatriation Act no longer apply for injuries occurring in Borneo. Therefore, where applicable, an investigation and claim for compensation must be prepared and forwarded with a Report of an Injury or Illness (AAF D11).

(AAF RO 89/66).

322. TAXATION EXEMPTION - BORNEO

Advice has been requested as to the date Taxation Exemption ceases: Sub units should anticipate this will also be with effect from 15 Sep 66, and are advised to warn members accordingly.

323. HONORARY MEMBERSHIP OF THE RSL

(AAF RO 90/66)

1. At its meeting on 10 May 66 the National Executive of the RSL resolved to confer honorary membership on all personnel serving abroad in combat areas.

2. Honorary membership will apply for those who are returning to Australia until the end of 1966 and for those serving abroad for the period until they return and for the balance of the year in which they return. To qualify for R.S.L. membership personnel must be eligible to receive either the British General Service Medal with clasp "Borneo" or clasp "South Vietnam" or the Special South Vietnam Medal.

3. Membership cards are to be issued to those eligible members who wish to avail themselves of the RSL's off

4. Sub units are requested to submit details of their requirement for membership cards to this Headquarters by 24 Oct 66.

5. Sub unit commanders are responsible to ensure that only those servicemen who satisfy the conditions of eligibility, as outlined in paragraph 2 above, are issued with honorary membership cards.

(AAF RO 91/66)

324. SPECIAL SERVICE

With effect from 15 Sep 66, personnel in Borneo ceased to be on special duty in a special area.

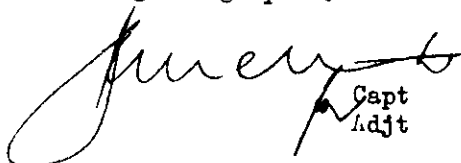

(AAF RO 88/66).

325. SPEED LIMITS

1. The speed limits within the boundaries of the Gar are clearly displayed by means of signs.

2. It is apparent however that dvrs are paying increasingly less attention to the laid down limits which are in general - 20 mph in built up areas ie. Zones 5 and 6 and 30 mph on the MALL.

3. All pers either directly or indirectly concerned with tpt and drivers are to ensure that dvrs comply with regulations regarding speed.
